

Biergarten

Willkommen im Biergarten!

We are delighted to welcome you to Biergarten in Tivoli Gardens where the food is Austrian and the beers are large, cold and on tap. Enjoy a view of the Roller Coaster's alpine peaks, delicious food prepared on an open grill, and the authentic after-ski or summer in Tyrol atmosphere with beer poured by a pretty Heidi or a lederhosen-clad Hansi.

You can also visit our two outlets, Alpehytten (the Alpine Hut) and Jagthytten (the Hunting Lodge). Alpehytten provides the authentic Austrian after-ski feel, with beer on tap and light dishes and snacks served on long, solid tables, while Jagthytten, offers an exclusive hunting atmosphere with comfortable leather chairs and a fire in the grate.

Both Alpehytten and Jagthytten are open Thursday to Saturday 4 pm - 2 am throughout the year and are accessed from Bernstorffsgade 7.

**KITCHEN OPENING HOURS

EDELWEISS VOM FASS / EDELWEISS ON TAP

Wheat beer is a specialist beer generally aimed at beer connoisseurs who want a little more or something different from the usual pilsner beer. As wheat beer is top-fermented, it is fruitier and particularly fresh due to the higher content of carbon dioxide. It therefore appeals especially to the quality-conscious beer drinker who wants something a little different.

Edelweiss Snowfresh

The use of special yeast cultures gives Edelweiss its fruity, sharp and aromatic taste, which is different from other wheat beers. It is fresh and bubbly, with a hint of honey to finish. The typical, naturally rich colour is due to the extra yeast, which takes a little longer to settle in the bottle or glass.

Alcohol percentage: 5,0 % vol.

Edelweiss Hefetrüb

Edelweiss Hefetrüb is a truly traditional Weissbier with a golden, unfiltered colour. This refreshing, effervescent wheat beer is characterised by a fruity taste with a gentle hint of banana. A very easily drinkable wheat beer.

ANDERES BIER VOM FASS / OTHER BEERS ON TAP

X-mas

Blågran (Blue fir) is a full-bodied christmas beer with character and balance. The dark colour in the "Raw Blue" is obtained by using a bit of malt colour. This gives the beer a richer flavour, which compliments the masculine hops character.

Heineken

Heineken® is the world's leading premium beer, loved and enjoyed by millions of people all over the world since 1873. Available in over 170 countries, it is the most international beer brand of them all. In order to achieve this position, Heineken has always focused on strict control of the recipe and production. Heineken's characteristic fresh, fruity aroma derives from the yeast ("Heineken A-yeast"), and the comfortable, not too bitter taste makes it easy to drink.
