

# The Tivoli Youth Guard – booking 2019

The Tivoli Youth Guard occasionally performs outside the Gardens and you can book the Guard to spread a boost of joy and Tivoli atmosphere to your event: conference, dinner, inauguration etc.

The Tivoli Youth Guard is one of the few parts of the famous Gardens that you can experience elsewhere. The uniform is internationally famous with the bear skin hats and the bright red jackets. A true icon of much of what Tivoli and Denmark stands for: kingdom, tradition, music, youth, fairy tale, joy, quality, talent – and celebration!

## 175 years old – and always young!

The Guard was established in 1844 and today it is an elite music school for 100 boys and girls at 8-16 years of age. The Fifes and Drums and the Concert Band play music in each their field, and the Colour Guard specializes in the military show disciplines.

## Performance of 2 to 90 Tivoli Guards

### **Good to know**

A performance with the Tivoli Youth Guard is flexible and simple to organize. Performances take place in open air or indoors. Standing, sitting or marching. Usually we have no need for lighting or amplification of the music. The Guards arrive by bus in their uniforms and with the instruments ready to play. They perform - and leave shortly after the performance.

In the case of bad weather, we will have to move outdoor events inside – or cancel with a compensation of 50% of the price.

### **Best music school in Denmark**

It is demanding to be a part of the Tivoli Youth Guard, and the high musical level does not come without effort.

On the other hand, this is not so different to being an elite athlete; that too takes time, focus and devotion.

The guards get very skilled very quickly. But talent, top education and professional demands is only useful if the children thrive and have a good time. The great experiences, concerts and journeys is part of what makes the Tivoli Guards responsible, skilled fine young people.
